BUILD TEAMWORK AND MORALE WITH KONQER BUSINESS LEAGUE CHALLENGE

Saipan, Northern Mariana Islands (NMI) — Once again, Saipan’s only extreme obstacle course challenge is giving businesses the chance to take on the KONQER course together, as part of the KONQER Business League, according to KONQER President Kelli Wedd.

“KONQER is the ultimate team-building experience, not to mention a great way to integrate health and wellness into your company’s DNA,” said Wedd. “We encourage businesses to sign up, let your employees conquer the course together, and foster some friendly competition in the business community!”

The league is limited to 25 teams, and each team is required to have 10 members to compete. Registration is available online at konqersports.com, and online registrants can save 25 percent on team registration fees with promo code K6BIZ for a limited time. Interested teams may also contact support@konqersports.com to register offline.

“Our Business League teams will be timed as they complete the KONQER course, and the top finishing team will get a special prize package and all the glory and bragging rights,” said Wedd. “The top ten teams will also receive free admission to the post-event awards ceremony and mixer.”

The second annual KONQER Obstacle Course Challenge is scheduled for Saturday, April 28 at Killili Beach Park in Susupe. Recreational teams and individual registration is also available at konqersports.com. For more information, email support@konqersports.com.
